The Second Sunday after the Epiphany

January 14, 2024

The Marriage at Cana, by Giotto di Bondone, 14th century

Welcome!

Who are we? In response to the Gospel of Jesus Christ, the Parish of Saint George offers a unique combination of traditional Anglican worship and a commitment to Inner-City Ministry. Open to the community that surrounds it, Saint George's dares to be shaped by the Inner City, yet seeks to transform our neighbourhood by preaching, in Word and action, the Gospel of Jesus Christ. Come join us in worship, fellowship and outreach ministry.

Parish Daily Prayer List

The parish daily prayer list, which includes a list of the names of all parishioners, will be published next Sunday. This list will be used at the daily offices and is available to all parishioners so that we can uphold one another in prayer each day. Annual Reports for 2023 - due January 21st

We are starting to put together the Annual Report for 2023. Heads of committees and groups and ministries are asked to send their report to the Parish Office (office@roundchurch.ca) by January 21st at the latest.

Nominations for 2024

In late November, Parish Council established a group consisting of the Rector, wardens Tracy Lenfesty and Matthew Vanderkwaak, and Palma Heming to nominate people for elected roles within the parish for 2024. We are especially in need of a warden, parish council secretary, and parish council members-at-large. We are also looking to populate a small property committee. Please direct nominations to any member of the committee.

Parish Annual General Meeting

Mark your calendar — the Parish Annual General Meeting will be held on Sunday, February 11th following the 10:30 a.m. service. This is an important time to reflect on the parish's ministry of the past year, plan for the year ahead, and elect parish officers and other officials.

Hall Floor Refinish

Thank you to Nathan McAllister and his father and brother who recently refinished the floor (and have donated the cost of the work) in the main parish hall. This has made the floor easier to clean and keeps it from further deterioration while we consider how best to replace that floor in the coming years.
